ORDER APPROVING FINAL REPORT AND CLOSING CASE

FILED
08 APR -7 AM 10:36
DISTRICT COURT
LEE COUNTY IOWA

NOW ON THIS 4th day of April, 2008, the Court having received the Final Report and Motion to Close the case in the above captioned matters, HEREBY FINDS:

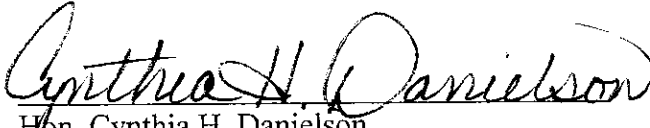

1. On December 8, 2006, this court approved Plaintiff's Application to Approve Distribution and entered an order directing that the terms of that distribution plan be carried out. Upon review of the record and upon the declarations presented by the Plaintiff's in the Final Report, the Court finds that the provisions of the Distribution Order, including, but not limited to, notice to the class, administrating claims, and distributing settlement checks, have been substantially completed.
2. The period of time to submit claims by class members has expired and no further claims may be made by members of the class against the settlement fund.
3. The balance of settlement funds, comprised of seven (7) uncashed settlement checks totaling \$5,464.97 together with \$568.56 for a total of \$6,033.53 shall be paid to the National Association of Members, as set out in the Distribution Order, for use in educational and charitable purposes on behalf of campground members and recreational vehicle owners.
4. Class Counsel has carried out his responsibilities with regard to these class action matters and his representation of the class is now concluded.
5. The administration of these class action lawsuits have been brought to their logical and legal conclusion and there appears to be no further reason to keep these cases open.

THEREFORE IT IS ORDERED THAT:

1. No further claims may be entertained or submitted by members of the class.
2. These class action lawsuits have been substantially administered and no reasonable basis exists to continue these matters.

3. The remaining settlement funds of \$6,033.53 shall be paid to the National Association of Members for use in educational and charitable purposes on behalf of campground members and recreational vehicle owners.
4. Class Counsel is dismissed.
5. The above captioned cases shall be closed.
6. A copy of this Order together with the Final Report and Motion to Close shall be posted on the website of the National Association of Members.

Dated this 4th day of April, 2008.

Hon. Cynthia H. Danielson,
Judge, Eighth Judicial District
